### **The Proprietors**

Peter and Katrina Davidson qualified as hospital administrators in the 1970's, and both worked in the NHS at a senior level for over 20 and 15 years respectively.

From 1985, the Davidson's owned and ran their own nursing homes, in Evesham and Badsey, until 2003, when they decided to concentrate solely on their home care service.

Both Homes cared for older clients and had an excellent local reputation for the quality of care given, a reputation now enjoyed by T.L.C. Home Care Services.
